

I Believe...

I BELIEVE ...

A Soldier is the most important person entering this facility.

A Soldier is not an interruption of my work.

A Soldier is the purpose of it. I am not doing the Soldier a favor.

A Soldier is entitled to my help. A Soldier is not a cold statistic.

A Soldier is a flesh-and-blood human being with hurts and wants like my own.

A Soldier is a person who brings me real needs and it is my job to help as expeditiously and courteously as possible.

TAKE CARE OF THE SOLDIER

THAT'S WHY I AM HERE
